MEMORANDUM FOR: Chief, Military Division, OCI

ATTENTION: [REDACTED]

FROM: Chief, CIA/PID (NPIC)

SUBJECT: Sino - Soviet Border Study

REFERENCE: Requirement No. OCI/9/63 (Project No. C 181-63)

1. In response to Requirement No. OCI/9/63 (C 181-63), a study is being made from available aerial photography to list, describe, and plot all identifiable and suspect military installations within 150 nautical miles of each side of the Sino - Soviet borders and to the same distance north of the Mongol - Soviet and the Mongol - Chinese borders.

2. This study will be answered by a series of WAC overlays (Scale 1:1,000,000) with lists of annotations which provide the requested information within the area of interest. Each overlay contains a diagram showing the effective date of the intelligence noted.

3. The WAC overlays show the locations of all identifiable and suspect military installations and the principal road and rail patterns existing within the area of interest on each WAC.

4. Annotated photographic enlargements will be provided on installations of major significance.

5. The photo analysis on this project is being performed by [REDACTED] CIA/PID/GMB (NPIC), and others who may be contacted on [REDACTED] for any additional information.
